

Dec 9, 2013 BAC meeting minutes.

Present are Quyen Wickham, Meghan Wieters, Kim Floyd, Tom Woodfin Gary Miller, Angelo Lombardo, Michelle Carr, Lee Krumholz

Minutes from previous meeting were discussed, voted on and approved.

Angelo gave an update on comprehensive transportation plan. Presented a Map with the latest version of the Bike/pedestrian transportation plan. What is new on the map. Problem that has been considered is the difficulty of getting over the S. Canadian river. There are piers from a former bridge extending south from SW 24th. St. Reconstruction of a bridge at this site is now in the plan. Tom suggested using steel girders from I-40.

The Bike/Ped committee will plan on meeting again with the steering committee and the city council for adoption of the new Bike/pedestrian transportation plan mid march 2014.

Multimodal path on W. 24th Ave. Angelo filled us in on several proposals that will be submitted to ACOG shortly.

Tom has suggested that BAC should put together a list of accomplishments for the past year. This would be a useful document for PR for the BAC. Gary and James will take a look at old document and try to get started with it.

Oklahoma Bicycle summit. Coming up on 1/17-18. Saturday night is for local people. Friday is for planners. Meghan, Tom, Kim and possibly Gary will be going.

Update on Lindsey St. Design. A meeting with ODOT will occur next week to discuss and July 2015 will be the date to start construction on project. Lindsey St. interchange will first be closed and construction will begin. Grade of I-35 will need to be lowered.

Status Reports.

Tom mentioned that sidewalks south of timberdell on Asp appear to be in the process of being improved.

We discussed the possibility of painting 3 foot rule sign on local buses. Costs are fairly high. Angelo mentioned that grants may be available.

Michelle discussed our involvement in the Earthday event.

Meeting was adjourned at 7:30.
